CAD Designer

Thouvenot, Wade & Moerchen, Inc., one of the largest civil engineering firms in the St. Louis area, is currently taking applications from **CAD Designers** with specialization in Land Development and Transportation. This full-time position would be based in our Edwardsville, IL office. TWM is an established but growth-oriented consulting firm offering Civil, Structural, and Railway Engineering, Surveying and other Geospatial services in the St. Louis metropolitan region.

We are looking for someone with enough experience and ability to join our team and immediately help in designing a variety of commercial, residential, municipal, institutional, roadway, and stormwater projects.

Ideal candidates will have an associate's degree in Computer-Aided Drafting and at least 5 years of experience in the direct drafting of civil site, stormwater, and/or roadway projects is required. Design ability is highly desired. Candidates should be proficient with AutoCAD Civil 3D. Experience with Bentley MicroStation and Geopak software is a plus. Candidates should be able to learn quickly and work independently.

Competitive salary and fringe benefits with exceptional bonus incentives. Starting salary dependent upon personal knowledge, skill and ability. Regular salary reviews and non-contributory Employee Stock Ownership Plan.

To apply visit www.twm-inc.com, click Careers and How to Apply and follow the instructions. Use the application for Licensed Engineers / EIs / Design Engineers or CAD Design / Technician positions, as appropriate. **Indicate "Application – Edw CAD Designer" in the subject of your email.** Your transcript can be emailed or sent under separate cover.

If your software does not support this download, call (618) 656-4040 and ask that an application form be mailed to you. No other phone calls, please.

Apply early. Position will be filled as quickly as possible.

TWM is an EEO/AA/M/F/Vet/Disabled employer.
