## CAD Designer

We are seeking a hard-working and self-motivated **CAD Designer** with specialization in Civil Engineering and enough experience and ability to join our growing team, and immediately help draft and design projects for a variety of municipal, commercial, residential, institutional, stormwater and roadway projects.

**Experience Level:** 5-10 years

**Schedule:** Full-time, 40 hours/week

**Location:** Based in St. Charles, MO

### Essential Job Functions:

- Design and help manage civil site, stormwater, roadway, and related projects
- Work could involve stormwater planning and management, modeling and design
- Prepare plans, specifications and estimates under the direction of a licensed engineer
- Interact with public and private clients
- May attend public meetings
- Coordinate with utility companies during the design process
- Conduct occasional site/field inspections of project locations

### Qualifications Desired:

- Must be a high school graduate, with Associate's degree in drafting or a related field preferred
- Must have 5-10 years of full-time experience in the direct drafting/design of civil site, stormwater, and/or roadway projects. Experience on St. Louis metro area projects preferred.
- Proficiency in AutoCAD Civil 3D, Bentley MicroStation/GeoPAK with SS4, StormCAD, and FlowMaster
- Team-oriented and self-motivated
- Ability to learn quickly, work independently and in a team
- Willingness to work hard
- Attention to detail

### Benefits Summary:

Competitive salary and fringe benefits with exceptional bonus incentives. Starting salary is dependent upon personal knowledge, skill and ability. Regular salary reviews and non-contributory Employee Stock Ownership Plan.

### Application Instructions:

- To apply visit [www.twm-inc.com](http://www.twm-inc.com), click Careers and How to Apply and follow the instructions.
- Use the application for Engineering Positions.
- **Indicate "Application – St. Charles CAD" in the subject of your email.**
- If applicable, an unofficial transcript from your college's online system can be e-mailed. Your transcript can be sent under separate cover if necessary
- If your software does not support this download, call (636) 724-8300 and ask that an application form be mailed to you. No other phone calls, please.
- Apply early. Position will be filled as quickly as possible.
